Mission

The Institute for Supply Management of Chicago builds community connections, shares and creates knowledge, and supports the development of procurement professionals and the organizations they serve.

Vision

The Institute for Supply Management of Chicago stands as the indispensable lifelong resource for supply chain professionals by adding value and prosperity through membership and exchange of knowledge.

Objective

To promote further education of Procurement & Supply chain professionals and students, ISM—Chicago is launching a scholarship program for people seeking a CPSM, CPSD or APSM certification (where applicable) by providing (3) scholarships to support each of these certifications.

Deadline to Apply: March 31, 2024
